"Safest For Savings"

"Safest for Savings" is the slogan of a bank that has been highly successful in inducing people to save.

Safety is, of course, and should be the first consideration in choosing a place for your savings.

No bank has a monopoly on safety, but we do claim to be AS SAFE AS THE SAFEST, and you will find safety—100 per cent safety—for your savings with us.

You will also find courteous and considerate treatment. Furthermore, we pay 4 per cent on savings balances.
